Attach a report of educational activities conducted in observance of National Coin Week 1983. Supplement your report with documentation, such as press clippings, letters of acknowledgement, programs, bulletins and photographs. The quality of your presentation and documentation will be considered when reports are chosen for publication in THE NUMISMATIST. Large, elaborate reports are discouraged, but reports in scrapbook form are quite suitable and should be considered.

New ANA members recruited during your National Coin Week campaign should be listed on the reverse of this form.

Your report should include a printed or typewritten list of club members, institutions and other individuals whose support contributed significantly to the success of your local National Coin Week campaign.
